

Dear Jim

Thank you so much for the copy of the letter from your Aunt Lucille and the other information that was found.

I still haven't had time to get to the library but hopefully in the next couple of weeks I'll get things organized enough to start going again.

I'm including with the Silas family information a copy of the Bruce family history that I got on my trip. It's just a general history but rather interesting.

On the list of Silas' children the names to the side are spouses - I believe only two were married twice (Emmett Clyde and Lawrence Nergre). I don't know marriage dates and children but I'll find out what I can.

Thanks for putting this on the computer. As soon as I get more information I'll let you know.

Sincerely,
Ailee

Dear Mr. Bruce,

I was given your name by Betty Fendig when she responded to a letter I had sent out.

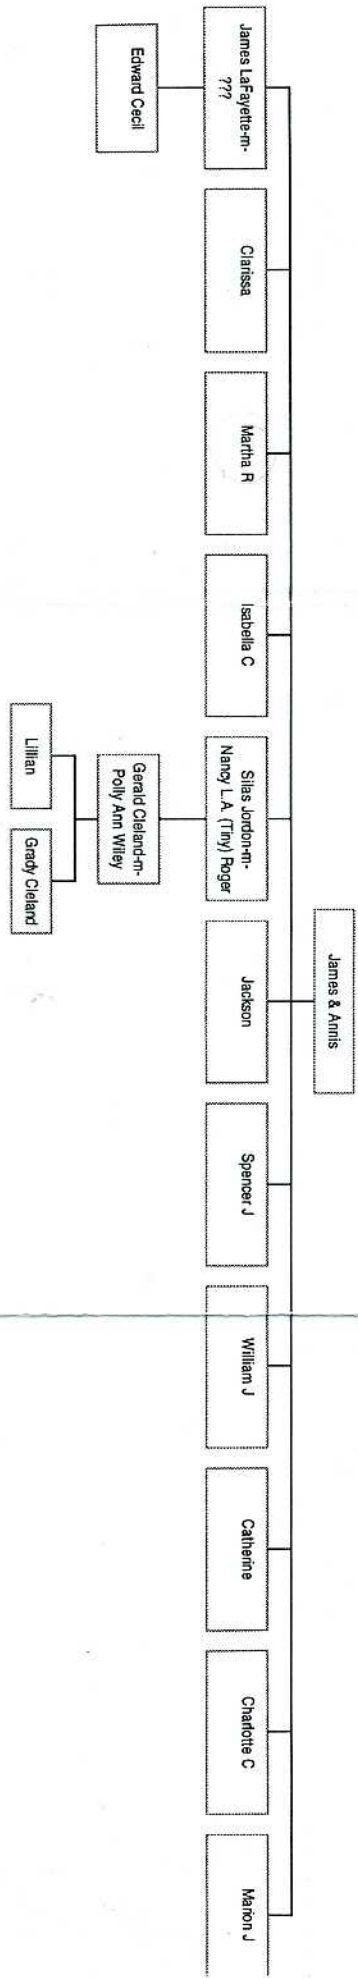

I'm researching the Bruce line - the furthest back I have gotten is James & Annis Bruce, born N Carolina. My great great grandfather was Silas Jordan - his brother was James Lafayette (see chart). I'm interested in the line but also information about the people (what they did for a living, for fun, etc).

I'm enclosing a self addressed stamped envelope, also my home # 904 282 7065 work # 904 828-1630. ~~was~~ If you are ever up in the Jacksonville area, please give me a call. I'm always anxious to meet new Bruces.

Sincerely,
Aimee Bruce

Grady Cleland was my grandfather.

Silas and Nancy had 13 other children.

James L. was a witness at Silas's wedding (1/27/1867)

I don't know if this list includes all of James & Annis's children or if I've duplicated some of the children (i.e. went by their middle name at another census).
